Dear [CITY NAME] Fire Department,

My name is [YOUR NAME] and I'm a [GRADE] at [HIGH SCHOOL]. I'm reaching out to see if there is a firefighter who focuses on community outreach and might be interested in partnering with me on an AED awareness initiative at [HIGH SCHOOL].

I'm an Ambassador for *Where Is The AED* (https://www.WhereIsTheAED.org/), and our goal is to educate students so they can respond confidently in an emergency and potentially save a life.

I want students to understand they don't have to be doctors, nurses, or paramedics to take action in an emergency. Knowing when to call 911, finding an AED, and having the confidence to use it could help save someone's life.

I would love the opportunity to come by the station, share what I'm working on, and discuss whether someone from the department might be able to partner with me.

You can learn more about the initiative at https://www.WhereIsTheAED.org/

Thank you so much for your time and for everything you do for our community. I hope to hear from you!

Best,
[YOUR FIRST NAME]
